

New School Donor Brick Program

To celebrate the ending of one era and the beginning of a new one, you are invited to CREATE A LASTING MEMORY with your own personalized brick. Honor your student/family; and alumni/employees celebrate the good ole days. The bricks will be imbedded in the new school to become a permanent part of the new elementary school.

- ◆ **Celebrate the Past**...Honor former students and staff who have made our school district what it is today with a personalized brick.
- ◆ **Enhance the Present**...Current students and staff can be recognized. A brick with your students name or family name will enhance your pride as a member of this unique school district community.
- ◆ **Inspire the Future**...The strength of our schools depends of community commitment. If you own a business in our community, or enjoy a business relationship with our school district, you can be a part of our donor brick program.
